## PRINCIPAL ACTIVITIES AND RESULTS

The company was dormant during the year, and the profit for the year, after taxation, amounted to £NIL.

## BUSINESS REVIEW

The Company was formed as a Special Purpose Acquisition Company (SPAC) to pursue a business combination with target business opportunity yet to be identified and to provide a method for a domestic or foreign private company to merge into the Company and thus become a reporting company whose securities would be qualified for trading on GXG Markets Main Quote. No such opportunities were identified during the year.

## DIRECTORS

The directors who served during the year were: Wee Guan Tan and Chan Voo Jhin.

## DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

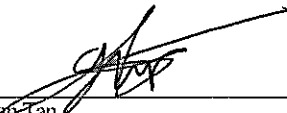

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## DISCLOSURE OF INFORMATION TO AUDITOR

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- So far as that director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- That director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report was approved by the board and signed on its behalf.

Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's report and for no other purpose. Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

**OPINION ON FINANCIAL STATEMENTS**

In our opinion the financial statements:

- Give a true and fair view of the state of the company's affairs as at 30 April 2015, and of its results for the year then ended;
